THE TOWN OF WEST GARDINER was incorporated August 8, 1850. All of its territory was taken from the city of Gardiner.

April 3, 1852, a portion of its territory was taken to form a part of the town of Farmingdale, which was then incorporated.

March 19, 1853, a part of the farm of Thomas M. Clark was set off from Farmingdale to West Gardiner.

March 22, 1856, part of the town of Litchfield was annexed to West Gardiner.

Population by Census:

1860 (U. S.) 1296:

1870 (U. S.) 1044:

1880 (U. S.) 977:

1890 (U. S.) 853:

1900 (U. S.) 693:

1910 (U. S.) 629.

EXPLANATIONS.

1. When places other than West Gardiner and Maine are named in the original records, they are given in the printed copy.

2. In all records the original spelling is followed.

3. The various spellings of a name should be examined, as items about the same family or individual may be found under different spellings.

4. Marriages and intentions of marriage are printed under both names, but the full information concerning each person is given only under his or her name. When both the marriage and intention of marriage are recorded, only the marriage record is printed. An asterisk after a marriage indicates that the intention was not found recorded, and in many cases this is accounted for by the fact that neither party belonged in West Gardiner, and consequently publication was made elsewhere.

5. Additional information which does not appear in the original text of an item, i.e., any explanation, query, inference, or difference shown in other entries of the record, is bracketed. Parentheses are used only when they occur in the original text, or to separate clauses found there, such as the birthplace of parents in late marriage records.

6. Where a gravestone inscription gives the birth of a married woman without indicating her maiden name, the latter, whenever possible, has been supplied by the editor, and the record inserted under both names.
